Thing About Coming My Way

Ain't go no money  
Can't buy no grub.  
My backbone and navel  
doing the belly rub.  
After all my hard traveling,  
thing about coming my way.

Sister sick.  
Doc would come  
because we couldn't pay him  
the proper sum.  
After all my hard traveling,  
thing about coming my way.

Pot was empty.  
Cupboard bare.  
I said, "Momma, Momma, Momma,  
What's been going on her.  
After all my hard traveling,  
thing about coming my way."
